<p style="text-align:center">Restoration Plan Inventory:</p>

Data Input Form

Instructions:

- Complete entries 1 - 50.
- After completing form and reviewing entries, press **Add Information** button at the bottom of the page to submit data. If this button is not pressed, all data entered into form will be lost.
- To clear **all fields** and not submit the data, press **Clear All Information** button at the bottom of the page.
- To modify data **after submitting**, return to the main page of this site and select the option to **Modify Existing Plan Information.**
- If you can only partially complete a form, press the **Add Information** button at any time and return to enter data for that plan using the **Modify Existing Plan Information** option.

I. Basic Plan Data

Plan Description

1. Plan Name (use **less than 250** characters)

2. Provide a brief description of plan including specific location details (use **less than 2000** characters)

Spatial Information

3. What region(s) is the plan located within? (check all that apply).
This list of regions is part of NOAA's Coastal Assessment Framework (CAF).

	Region Name	Spatial Extent
☐	North Atlantic Region	From the U.S./Canada border to approximately Buzzards Bay, MA.
☐	Mid-Atlantic Region	From approximately Buzzards Bay, MA approximately the VA/NC border.
☐	South-Atlantic Region	From approximately the VA/NC border to Key West, FL also including Puerto Rico and U.S. Virgin Islands.
☐	Gulf of Mexico Region	From approximately Key West, FL to Brownsville, TX.
☐	Pacific Region	From U.S./Mexico border to the Straits of Juan De Fuca, WA also including Alaska, Hawaii and the Pacific protectorates.
☐	Great Lakes Region	Includes the Great Lake coasts of the U.S.
☐	Interior Region	Includes interior sections of U.S. that do not drain to the coast (no watersheds to select).

4. What coastal watershed(s) are included within this plan? For each region selected in prior question, click on the linked name in above table to see the **related map and list of coastal watershed codes** to enter in the blank below (separate multiple entries with commas and use **less than 250** characters). Note: there are no watershed codes for areas outside the lower 48 states.

MUST ENTER EDACDA CODES EXACTLY AS APPEAR ON CA&DS REGIONAL MAPS

5. What is the size of the area covered in plan in square miles (e.g. 10000)?

[   ] square miles

6. What is the scale of the plan? (select one)

[▼] (blank, National, Multi-state, State, Multi-county, County)

Contact Information

7. What is the plan's lead organization(s)? (separate multiple entries with commas)

[   ]

8. Personal Title (select one)

[▼] (blank, Dr., Mrs., Ms., Miss, Mr.)

9. First Name

[   ]

10. Last Name

11. Job Title

12. Agency/Affiliation

13. Department

14. Mailing Address 1

15. Mailing Address 2

16. Mailing Address 3

17. City

18. State

19. Zip Code

20. Office Telephone Number

21. Extension

22. Office Fax Number

23. E-mail Address

24. Web Page Address
http://

25. If available, provide the currently existing Web address for an on-line version of plan

http:// [   ]

Plan Dates

26. Month of original plan (select one)

[▼] (Unknown, January, February, March, April, May, June, July, August, September, October, November, December)

27. Year of original plan (use 4-digits, e.g. YYYY)

[   ]

28. Has the plan been updated since established? (select one)

○ Yes   ○ No   ○ Unknown

29. If yes, what is the month of the updated plan (select one)

[▼] (January, February, March, April, May, June, July, August, September, October, November, December)

30. Year of updated plan (use 4-digits, e.g. YYYY)

[   ]

II. Technical Information

Plan Goals

31**.** Does the plan include restoration goals? (select one)

○ Yes   ○ No

32. If yes, how detailed are the goals? (select one)

○ General   ○ Measurable and specific

33. If yes, provide a **summary** of the goals (use **less than 2000** characters)

[   ]

Criteria

34. Does the plan recommend or use criteria for selecting restoration sites (e.g. cost benefit ratio, ecological benefits)? (select one)

○ Yes   ○ No   ○ Unknown

35. If yes, then provide a **summary** of the criteria (use **less than 2000** characters)

Projects

36. Does the plan recommend restoration of specific project sites? (select one)

○ Yes ○ No

Funding

37. Does the plan include a discussion of funding sources? (select one)

○ Yes ○ No

Protection

38. Does the plan address long-term protection of restored sites? (select one)

○ Yes ○ No

Partnerships

39. Were any of the following partners included in developing the plan? (check all that apply)

☐	Federal Government
☐	State Government
☐	Local Government
☐	Port Authorities/Commissions
☐	Tribes
☐	Business/Industry
☐	Non-profit Organizations
☐	Academia
☐	Foundations
☐	Private landowners
☐	No partners were involved
☐	Information not available

Public Outreach

40. What type(s) of public outreach was included during plan development? (check all that apply)

☐	Held public workshops, meetings, open house, or scoping meetings
☐	Held focus groups
☐	Developed a Web site to inform public and/or seek public input
☐	Kept a contact list of interested parties
☐	Mailed or e-mailed information to a contact list
☐	Set up a toll-free telephone number to receive comments
☐	Distributed brochures or other materials
☐	Published plan in Federal Register
☐	Conducted surveys
☐	Formed an advisory group(s)
☐	Involved the media through news releases, public service announcements, etc.
☐	Was subject to a public comment period
☐	No public outreach was included
☐	Information not available

41. Does the plan include public outreach as part of plan implementation (e.g. annual public meeting, local group participation)? (select one)

○ Yes ○ No

New Uses of Technology

42. Does the plan discuss the application of innovative approaches to restoration? (select one)

○ Yes ○ No

43. If yes, provide a **summary** of the discussion (use **less than 2000** characters)

Mapping

44. Does the plan make use of Geographic Information System (GIS) mapping capabilities?

(select one)

○ Yes ○ No

Monitoring

45. How does the plan address monitoring/reference sites for ecosystem level monitoring (baseline conditions)? (select one)

○ No Mention ○ General ○ Specific

46. How does the plan address monitoring/reference sites for project level monitoring? (select one)

○ No Mention ○ General ○ Specific

Other Plans

47. Does the plan discuss or coordinate with other restoration plans covering the same geographic area? (select one)

○ Yes ○ No

48. If yes, provide name of plan(s) (use **less than 1000** characters and separate multiple entries with commas)

Habitat Information

49. Does the plan contain detailed information on historic and/or current habitat size, rate of loss, acres restored or protected, etc.? (select one)

○ Yes ○ No

50. If yes, provide a **summary** of the habitat information (use **less than 2000** characters)
